## A Powerful, Perfect Massage

The Hydro-V™ Backjet System features six or eight jets strategically placed to give the ultimate therapy for your back. Four to six jets cover the shoulder blades, upper and middle back muscles and the bottom two rotating jets give your lower back a much needed invigorating wave of direct hydrotherapy.

## You're in Control

Swirl-Way® Basic Keypad Control

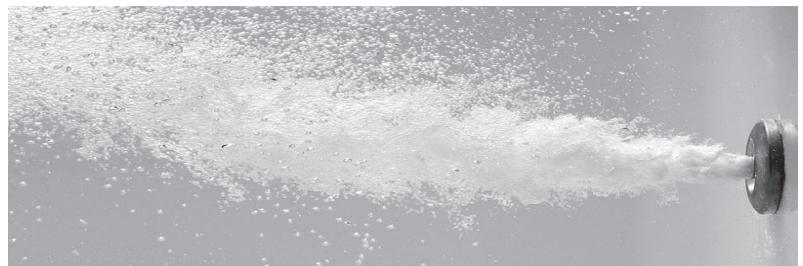

Swirl-Way® Luxury Keypad Control

Multi-function electronic keypad. Digital display indicates water temperature, pump speed and time left in 20-minute cycle.

## Powerful Jets

The Swirl-Way® Venturi jet is adjustable in both direction and flow. Simply turn the jet ring clockwise or counter-clockwise to increase or decrease the amount of flow. Also adjust the direction of the flow by moving the jet nozzle to pinpoint an exact area.

## Perfect Massage

The Swirl-Way® Venturi jet creates a broad, circular pattern of water and warm air. The warm air bubbles massage the back, hips, legs and feet providing soothing relief to sore muscles.
