SUMMIT™

PROVEN PERFORMANCE TOILET

SUMMIT™

A NEW STANDARD IN CLEAN

Form or function, which comes first? With the improved Summit toilet, they both work together to reach new heights.

Our highly-engineered PuraClean™ glaze is 48% smoother than the nearest competitor, not only making it easier for each flush to remove an amazing 1,000 grams of waste down the drain, but making the bowl easier to clean and resistant to bacteria.

You'll love how it looks and performs—even the decorative metal trip lever is more durable and attractive.

Regardless of which of the four configurations you choose to perfectly match your bathroom's decor, you'll be covered with a limited lifetime warranty on vitreous china and a 5-year limited warranty on tank trim.

SUMMIT™

SAVES WATER

Easily flushes 1,000 grams of waste using just 1.28 or 1.6 gallons of water, with the 1.28 gpf earning the WaterSense® seal of approval from the EPA.¹

MAGNAFLUSH™ TECHNOLOGY

The large 3" flush valve provides big flushing power to force out more waste.

EASY-TO-CLEAN SURFACE

Inhibits the growth of stains and bacteria, mold, and mildew.

IMPROVED STYLING

Durable and attractive, the new decorative metal trip lever enhances the Summit's universal styling and blends well with any decor.

SIMPLE, 3-BOLT INSTALLATION

Our SmartFasten™ System provides a sturdy connection between tank and bowl to prevent rocking and leaking.

A WARRANTY TO BELIEVE IN

Trust our limited lifetime warranty on vitreous china and 5-year limited warranty on tank trim.²
