Everything you need for a beautiful bathroom

# IN 1929 MANY GREAT STORIES WERE ENDING, OURS WAS JUST BEGINNING.

We're Mansfield Plumbing. A company backed by a tradition of excellence.

For our professional partners, our U.S. operations are nestled in rural Perrysville, Ohio, where we produce millions of pieces of sanitaryware every year. Just a few miles down the road in Ashland, Ohio, our main warehouse is stocked to make sure you get the products you need, when you need them. Our Henderson, Texas facility custom manufactures quality acrylic bathware with a quick, 10-day turn-around.

All together, these three facilities support 600 American workers and their families, and we are proud to continue the nearly 100-year legacy of fueling the American industry backed by the global 140-year expertise of our parent company, Corona.

From day one, we have promised to work hard to deliver quality and authenticity. That promise means waking up and facing the challenges before us. It is doing what is right, not what is easy. It is persevering and never cutting corners. We are further enhanced by the production capabilities of our sister plants in Colombia and Mexico, so we can quickly adjust to demand fluctuations and ensure the steady supply you need.

At Mansfield, we deliver our customers more than bathroom products. We deliver a centerpiece to their home.

# VANQUISH<sup>®</sup>

**SPEND LESS TIME CLEANING  
AND MORE TIME ON WHAT MATTERS.**

Vanquish<sup>®</sup> from Mansfield<sup>®</sup> makes the terrible task of keeping the toilet clean easier than ever for busy families. With revolutionary and durable side-mount seat hinges, an ultra-smooth PuraClean<sup>®</sup> glazed surface and twice the rinsing power, cleaning the toilet is no longer the worst job in the house.

### OUT-OF-THE-WAY TOILET SEAT HINGES

Vanquish® features toilet seat hinges on the side, not on top. So instead of hard-to-clean corners, you get an easy-to-wipe surface that cleans up quickly. This durable design has been life cycle tested so you have years of worry-free use.

### 2X THE RINSING POWER

Vanquish® uses the same 1.28 or 1.6 gallons per flush as other low-flow toilets, yet directs double the amount of water to rinsing the bowl — which means you'll need to clean it less often.

### QUICK-WIPE PURACLEAN® GLAZED SURFACE

Our highly engineered quick-wipe PuraClean® glazed surface has an incredibly smooth finish that wipes down quickly and sheds stains easily. It's also resistant to bacteria, making your bathroom safer and cleaner than ever.
