

PRO-FIT® BUILDER SERIES – QUALITY BUILT RIGHT IN

Mansfield handcrafted bathware is constructed with durable, high-gloss Cast Acrylic. We use the finest long-strand fibers with high quality resins that are hand-rolled for superior strength. Each product is water tested to ensure the high quality product you expect from Mansfield. All Mansfield PRO-FIT® bathware is made in the USA.

BROAD SELECTION

We have the breadth and depth of products to match your specifications. Chances are you'll find the size, installation type and features you are looking for.

CHOOSE YOUR SHAPE

Whether you're looking for a rectangular, corner, oval or TFS bath – Mansfield delivers both size and shape configurations to fit your job site.

SELECT YOUR FEATURES

With Mansfield PRO-FIT® Builder Series you'll find simple soaking tubs, whirlpools and air massage baths for new construction or most any remodeling project.

CHOOSE FROM THREE DIFFERENT HYDROTHERAPY SYSTEMS:

BATHTUB – Relax with a soothing soak in warm water.

WHIRLPOOL BATH – Focus relief to your aching muscles with fully adjustable body jets that allow you to control the direction and force of the water flow.

AIR MASSAGE BATH – Aid relaxation and comfort with air jets that create huge air bubbles to help relieve aches in any part of your body.

Find the style and bathing experience you want from American-made, Mansfield bathware.

PRO-FIT® BUILDER SERIES ACRYLIC BATHWARE FEATURES AND OPTIONS

LOW PROFILE DECK

Low profile deck option trims the deck to 5/8" allowing it to be mounted flush to surrounding tile.

CABLE DRAIN

This option provides fast and easy draining with a simple twist that opens and closes the drain. Choose from Chrome, Everbrass, Brushed Nickel, Oil Rubbed Bronze, White, Biscuit or Bone.

TIP TOE DRAIN

This option provides fast and simple draining by tapping the drain with your toe which opens and closes the drain. Choose from Chrome, Brushed Nickel, Everbrass or Oil Rubbed Bronze.

FACTORY INSTALLED NAILING FLANGE

Code-approved nailing flange option makes watertight installation easy and secure. The nailing flange can be installed for your particular design, just specify where it's needed.

NAILING FLANGE KIT

Code approved nailing flange kit features flange material, tape and instructions. Makes watertight installation easy on the jobsite.

INTEGRAL FLANGE WITH APRON AND ACCESS PANELS

The tub is formed with an integral flange and integral apron for easy installation. The integral apron features optional removable access panels for easy access to whirlpool pump, blower or interior parts.

REMOVABLE APRON

This option provides quick and easy access to the whirlpool pump and interior parts through a removable apron. Available on certain models as noted.

FACTORY INSTALLED INLINE HEATER

Inline Heater guarantees continuous water warmth during your hydromassage.

METAL FINISH TRIM UPGRADE

Upgrade your whirlpool to Chrome, Everbrass, Brushed Nickel or Oil Rubbed Bronze trim including jets, intake and air controls.

AUTOMATIC PURGE AND DRY CYCLE

Twenty minutes after the air massage blower is turned off, it will reactivate to begin the drying process. It will turn off after two minutes (available on Pro-fit® Air Massage Baths).
