MANSFIELDPLUMBING.COM

Decorative Metal Trip Lever

Simple, 3-Bolt Installation

Our superior SmartFasten™ 3-bolt tank-to-bowl system provides a sturdy connection between tank and bowl that prevents rocking and leaking.

Additional Tank Options

The 386 and 387 tanks are also available in right hand trip lever (model 55RH) and lined tank options. Additionally, the 386 is available with a Fluidmaster pilot valve.

A Warranty to Believe In

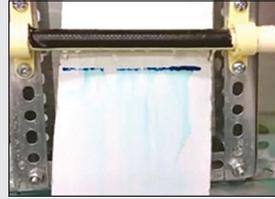

Trust our limited lifetime warranty on vitreous china and 5-year limited warranty on tank trim (single flush models).

PuraClean™ Glaze Finish

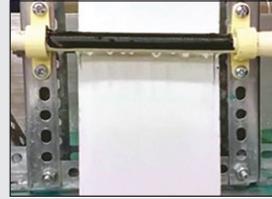

OUTPERFORMS THE COMPETITION

The highly-engineered PuraClean™ glaze finish is 48% smoother than the nearest competitor, making the bowl easy to clean and bacteria resistant.

EASY-TO-CLEAN

A smoother surface means there are fewer pits where soil can collect, and what does collect wipes away with ease.
