

SWIRL-WAY® LUXURY SERIES ACRYLIC BATHWARE FEATURES AND OPTIONS

COMMON FEATURES & OPTIONS – Available on all bathing systems

LOW PROFILE DECK

Low profile deck option trims the deck to 5/8" allowing it to be mounted flush to surrounding tile.

CABLE DRAIN

Fast and easy draining comes with a simple twist that opens and closes the drain. Choose from Chrome, Everbrass, Brushed Nickel, Oil Rubbed Bronze, White, Biscuit or Bone.

TIP TOE DRAIN

Get fast and simple draining by tapping the drain with your toe which opens and closes the drain. Choose from Chrome, Brushed Nickel, Everbrass or Oil Rubbed Bronze.

LINEAR OVERFLOW DRAIN

This smooth, sleek linear overflow is an option to the round overflow. Get fast and simple draining by tapping the drain with your toe which opens and closes the drain. Choose from Chrome, Brushed Nickel, Everbrass, Oil Rubbed Bronze, White, Biscuit or Bone. (Available on Barrett and Brentwood models).

FACTORY INSTALLED NAILING FLANGE

Code-approved nailing flange option makes watertight installation easy and secure. The nailing flange can be installed for your particular design, just specify where it's needed.

NAILING FLANGE KIT

Code approved nailing flange kit features flange material, tape and instructions. Makes watertight installation easy on the jobsite.

INTEGRAL FLANGE WITH APRON AND ACCESS PANELS

The tub is formed with an integral flange and integral apron for easy installation. The integral apron features optional removable access panels for easy access to whirlpool pump, blower or interior parts.

REMOVABLE APRON

This option provides quick and easy access to the whirlpool pump and interior parts through a removable apron. Available on certain models as noted.

PILLOW(S)

Either custom made for a specific tub or generally designed for any fit, the pillows provide more comfort to the head and neck for the bather. One pillow included for end drain tubs, two for center drain tubs.

BATHTUB FEATURES & OPTIONS – Available on bathtubs only

CONSTANT HEAT

Factory installed water heater for the bathtub ensures a prolonged, warm bathing experience.

AIR MASSAGE FEATURES & OPTIONS – Available on air massage baths only

BLOWER RELOCATION KIT

Kit includes hose and cable to remote locate the blower up to 9' away from its installed location.

AUTOMATIC PURGE AND DRY CYCLE

Twenty minutes after the blower is turned off, the blower will reactivate to begin the drying process. It will turn off after two minutes.

WHIRLPOOL & COMBINATION FEATURES & OPTIONS – Available on whirlpools & combinations only

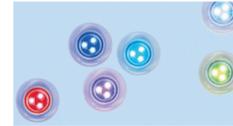

HYDRO-V BACK JET SYSTEM

Features six to eight jets strategically placed to provide the ultimate therapy for your back. The volume of each jet is individually adjustable, allowing you to customize the massage to your preference by turning the jet ring clockwise or counter-clockwise to increase or decrease the amount of flow. *Included standard on all whirlpool models.*

CHROMATHERAPY LIGHT SYSTEM

Pick your mood by selecting one of seven different colors or relax as the colors slowly change in sequence.

OZONATOR

The ozonator automatically emits bacteria killing ozone into the whirlpool piping system twice every 24 hours.

VARIABLE SPEED PUMP

Reliable, quiet and powerful variable speed induction pump allows the bather to control the pump speed and intensity of the jet massage. Simply increase and decrease the speed with the LED keypad.

METAL FINISH TRIM UPGRADE

Upgrade your whirlpool to Chrome, Everbrass, Brushed Nickel or Oil Rubbed Bronze trim including jets, intake and air controls.

SINGLE SPEED PUMP

Reliable, quiet and powerful single speed induction pump is easily controlled by the simple on/off electronic switch.

HANDCRAFTED TO YOUR SPECIFICATION

Mansfield handcrafted bathware is constructed with durable, high-gloss Cast Acrylic. We use the finest long-strand fibers with high quality resins that are hand-rolled for superior strength. Each product is water tested to ensure the high quality product you expect from Mansfield. All Mansfield SWIRL-WAY® bathware is made in the USA.

BROAD SELECTION

We have the breadth and depth of products to match your inspiration. Chances are you'll find the exact size, installation type, hydrotherapy and features you are looking for.

YOUR CHOICE OF EXPERIENCES

Whether you're looking for a simple soaking tub for a remodeling project or the ultimate in relaxation with our exclusive MicroDerm therapeutic system, we have you covered. We even offer baths with more than one experience, so you can bathe precisely the way you want.

CHOOSE FROM FIVE DIFFERENT HYDROTHERAPY SYSTEMS:

BATH TUB—Relax with a soothing soak in warm water.

WHIRLPOOL BATH—Focus relief to your aching muscles with fully adjustable body and back jets that allow you to control the direction and force of the water flow.

AIR MASSAGE BATH—Aid relaxation and comfort with air jets that create huge air bubbles to help relieve aches in any part of your body.

COMBINATION WHIRLPOOL AND AIR MASSAGE BATH—Get the benefits of both therapies with a combination system that allows you to operate the whirlpool jets and air jets independently or together.

MICRODERM™ THERAPEUTIC BATH—Enjoy softer, rejuvenated skin as the MicroDerm system surrounds you with millions of tiny oxygenated microbubbles that exfoliate and hydrate the skin.

COORDINATE YOUR ROOM

Mansfield offers the opportunity to fully coordinate throughout your bathroom. You can complete your bathroom with the same style Mansfield toilet and sink.

Barrett	Enso	Essence
Brentwood	Montclair	Waverly
